## CATALOGUE No. 10

This Catalogue illustrates and describes fully a line of toys manufactured by The Dent Hardware Co., Fullerton, Pa.

### IRON TOYS

This line is made up of an attractive selection of modern up-to-date reproductions in the way of Iron Toys. The toys are strong and durable, well assembled and finished in bright colors—attractively decorated.

### ALUMINUM TOYS

A number of the toys illustrated in this catalogue are also furnished in cast aluminum metal highly polished and decorated. Aluminum toys are exceedingly light in weight and almost indestructible. The smaller sizes are especially attractive for prizes, favors, etc.

### PISTOLS

A full line of pistols both repeater and single shot is illustrated. These pistols are made in iron, carefully assembled and finished in bright nickel.

### MISCELLANEOUS

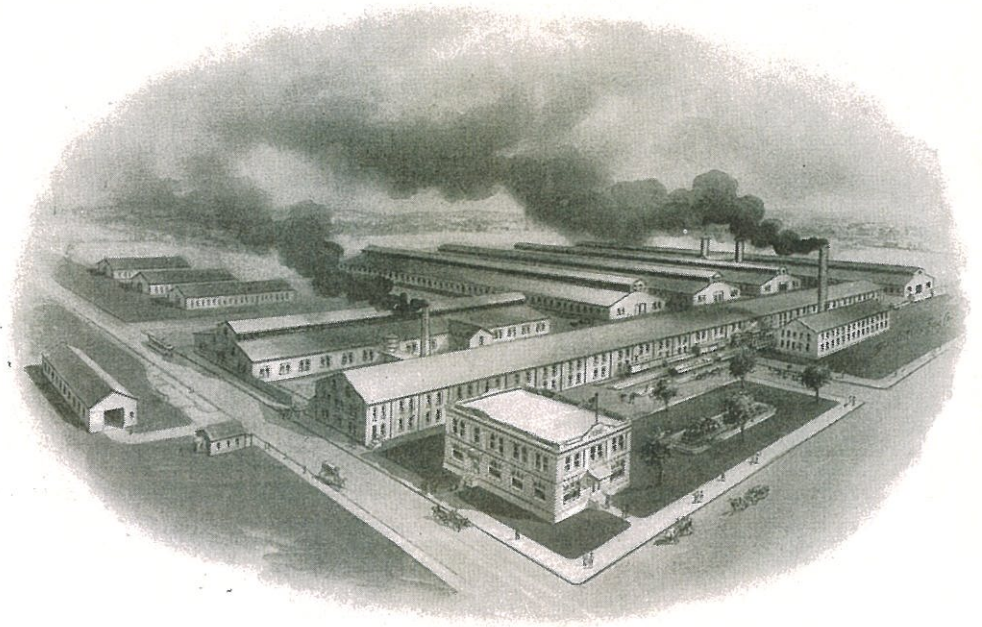

A line of jackstones nickel-plated as well as colored, also key puzzles, small garden tools, etc. are shown.

## CATALOGUE No. 10

To the Trade:

The Dent Hardware Company has been engaged in the manufacture of Iron Toys for over 35 years. This is evidence of the favor in which the Dent line has stood and has been accepted by the Toy trade in general. In presenting this catalogue we are listing not a large line, but one well balanced and calculated to interest the buying public.

We call your special attention to the Attractive Box Assortments, Minature Hoover Cleaners and the many other items attractively priced and designed to appeal to the boys and girls of today.
