TO EFFECT a saving in transportation charges for our customers and to simplify packing, the items shown in our catalog are packed in standard cartons. The quantity in a standard package is shown not only on our price list but immediately following the description of the article. In order to assist us in giving prompt service, we urge that orders be placed in multiples of the standard packing for each item.

We do not hold ourselves liable for non-shipment on specified dates, or insure delivery and safe carriage. Our responsibility ceases when shipments are receipted for in good order by the carriers, but we will be glad to give every possible assistance in tracing lost or delayed shipments. No allowance for breakage. Approximate legal weights are given.

All claims for shortage, etc., must be brought to our notice within five days of receipt of goods, and goods must not be returned without our consent and shipping instructions.

Prices are subject to change without notice, and are made for prompt acceptance. All orders accepted subject to delay caused by accidents, strikes, fires, or any cause beyond our control.

Accounts opened only with firms or individuals satisfactorily rated by mercantile agencies; cash required in advance from all others. Prices F. O. B. East Hampton. Accounts past due subject to sight draft, with interest.
